Call for Papers - Special Issues

Following the completion of the AMEF 2024 conference, we would like to ask all participants to consider the following options for their papers:

Journal of Economics and Finance

The Journal of Economic Asymmetries

South-Eastern Europe Journal of Economics

All submissions are subject to a high-quality refereeing process.

Submission of the paper to all journals is taken to mean that it contains original work that has not been published previously and that it is not considered simultaneously for publication elsewhere. Each paper can be submitted in one journal. By submitting a paper to each one of the journals, the author(s) agree to have their submission checked for plagiarism. The submission deadline is on the **30th of September 2024**.

No extensions will be provided. We aim for a quick turnout in all cases.
