

Call for Papers - Special Issues

10th International Conference on Applied Theory, Macro and Empirical Finance

AMEF 2026

University of Macedonia,
Thessaloniki, Greece

Following the completion of the **AMEF 2026** conference, we would like to ask all participants to consider the following options for their papers:

All submissions are subject to a high-quality refereeing process. Submission of the paper to all journals is taken to mean that it contains original work that has not been published previously and that it is not considered simultaneously for publication elsewhere. Each paper can be submitted in one journal. By submitting a paper to each one of the journals, the author(s) agree to have their submission checked for plagiarism. Authors are encouraged to read and follow the specific aims and scope of each journal before submission, and decide accordingly which journal their work best fits. Each journal has its own guidelines and submission dates. **Please note that submission fees and publication policies vary by journal, and authors are responsible for complying with the terms, including any applicable fees, set by the journal to which they submit.** No extensions will be provided. We aim for a quick turnout in all cases.

1. Economic Analysis and Policy

Selected papers from the conference are to be published in a regular issue of EAP, and the process will be expedited wherever possible. Please follow the submission instructions provided by the journal. In your cover letter, include the header “**AMEF2026 Submission**”.

The Guest Editor in charge of the Special Issue is Professor Sushanta Mallick.

For more information on how to submit your paper to Economic Analysis and Policy, please refer to the journal's website: <https://www.sciencedirect.com/journal/economic-analysis-and-policy>

The guide for authors is available here: <https://www.sciencedirect.com/journal/economic-analysis-and-policy/publish/guide-for-authors>

Submission Deadline: 31/10/2026
